

Effective Wednesday March 18, 2020 3:00pm

We continue to monitor the situation around COVID-19 and have determined that for the safety of all users the Port of Benton is closing Crow Butte Park until further notice. At this time, we will issue a refund to those who have pre-paid for their reservations through Monday April 27, 2020.

This is a fluid situation. The Port will continue to monitor other agencies, health departments and CDC, mandates from the governor for information.

The Washington State [Department of Health](#) is keeping us informed about the continuing developments surrounding COVID-19. Their blog, [Public Health Connection](#), offers important guidance and resources to share with your families.

Thank you for your support and please take good care.

Sincerely,

A handwritten signature in cursive script that reads "Diahann Howard".

Diahann Howard, Executive Director Port of Benton
