

**PORT OF BENTON  
REQUEST FOR QUALIFICATIONS  
CIVIL ENGINEERING DESIGN SERVICES –  
RICHLAND INNOVATION CENTER – SIDEWALKS, STREETLIGHTS, AND FIBER CONDUIT  
SUBMITTALS DUE: SEPTEMBER 9, 2021, 11:00 a.m., EXACTLY, Pacific Local Time**

Public notice is hereby given that the Port of Benton, Washington has issued the above solicitation to perform civil engineering design services for design of approximately 4,000 feet of new sidewalks, approximately 18 new City of Richland standard street lights, and approximately 3,000 linear feet of fiber conduit and vaults within the Port's existing Richland Innovation Center existing streets. It is anticipated that the selected consultant would also assist the Port with construction assistance including bidding, award, and construction inspection and administration.

**To request a copy of the entire solicitation, please contact the Port of Benton, Sheri Collins, 509-375-3060 or [collins@portofbenton.com](mailto:collins@portofbenton.com).**

The Port of Benton in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 USC 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises as defined at 49 CFR Part 26 will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color national origin, or sex in consideration for an award.
