

Director of Finance

The Port of Benton is looking for an experienced, highly skilled Director of Finance. The position is a working manager role functioning as part of a team handling all aspects of accounting and finance. Must have 15 years of experience in accounting with at least 5 years at a management level. A bachelor's degree from an accredited university and a CPA designation are also required.

Responsibilities include AP/AR, payroll, benefits, financial reporting, budgeting and providing oversight and internal controls to ensure accuracy and efficiency of daily financial operations. Requires understanding of federal, state, and local grant requirements. Must have excellent communication skills as this position provides regular reporting to the Board of Commissioners, both in written and verbal forms.

The Port of Benton offers a competitive salary and excellent benefits. Medical and dental insurance are 100% employer paid. The port also offers life and disability insurance, and a retirement pension through the Public Employees Retirement System (PERS). We offer tuition reimbursement opportunities and many other perks.

Come join the dynamic, innovative team at the Port of Benton.

This is a full-time, exempt position.

To be considered for the position, please send a resume and cover letter to
