Instructions:	Please submit your proposal by email or by hand no later than November 2, 2026 by 11:00 AM. Bids shall be emailed to procurement@portofbenton.com or delivered to Procurement Dept., Port of Benton, 3250 Port of Benton Blvd., Richland WA 99354. Bids must have project name listed on sealed bid envelope or the subject line in email. Questions may be directed to procurement@portofbenton.com Plans and specifications may be obtained at the Port of Benton by email or at the Port's web site, www.portofbenton.com under "Business – Bid Opportunities". Contractors must be on the Port's Small Works Roster to be eligible for bidding on this project. Small Works Roster applications are available on the Port's web site, www.portofbenton.com. Small Works Roster applications need to be renewed every 2 years. Contractors will be required to be on the Ports Roster.
Bid Opening:	Bids exceeding $350,000 will be publicly opened and read aloud at the date and time specified above. Bids under $350,000, which may be submitted via drop-off or email (if permitted), will be opened by Port staff. A Bid Summary will be emailed to all bidders by the end of the day. Late bids- those received after the designated opening time – will not be considered. All bids will be reviewed by project lead after the official submittal deadline.
Bid Award:	Opened proposals over $50,000 will be submitted to the Board of Commissioners of the Port of Benton at the next regular meeting. It is anticipated an award will be made within one week after the presentation to the Board of Commissioners. The work will be awarded, and a contract negotiated with the lowest responsible bidder or the bid judged to be in the best interest of the Port of Benton. The successful bidder shall have 10 days after receipt of the Notice of Award to execute the Agreement and furnish required bonds and proof of insurance.
Start Date and Contract Time:	Work will begin within 10 days after the execution of the contract or by the start date on the contract and require completion not to exceed the completion date listed on the contract.
Pre-Bid Walk Through:	If a pre-bid meeting for the project is required, it will be listed in the bid documents. A walk-through of the project site will be conducted at the pre-bid meeting.
Bid Proposal Form:	Proposals shall be prepared on the standard proposal form attached. The bidder shall make no stipulation on the bid form, nor qualify the bid in any manner. The proposal shall be placed in a sealed envelope marked with the project name or listing the project name in the subject line of the email. Please place name of company on front of envelope as well to identify the project.

Bid Comparisons:	Discrepancies between the multiplication of units of Work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum. Discrepancies between figures and numbers written as words shall be resolved in favor of the numbers written as words.
Bid Hold:	No Bid may be withdrawn for a period of four weeks after the bid date.
Bid Guarantee:	A Bid bond made payable to the Port of Benton for an amount equal to at least 5% of the total base bid amount shall accompany each bid for amounts over $150,000.00
Performance & Payment Bond:	The Contractor shall furnish performance and payment bonds for any contract at or over $35,000 in an amount at least equal to the Contract Price, as required by R.C.W. 39.08, upon execution of a contract. These bonds shall remain in effect until one year after the date when final payment becomes due. In lieu of the said performance and payment bonds, and in the event the contract is for an amount less than $150,000.00, the Contractor may elect to have the Port retain 10% of the contract amount for a period of forty five (45) days after the date of final acceptance, or until receipt of all necessary releases from the Department of Revenue, Employment Security Department, Department of Labor and Industries, and the settlement of liens filed under Chapter 60.28 R.C.W., whichever is later. Retained amounts will be held by the Port unless Contractor submits a written request to invest the deposit retainage in accordance with applicable law.
Agreement:	Successful bidder will execute the Agreement between the Port of Benton and the Contractor. (Sample Contract attached)
Right of the Port to Accept or Reject Bids:	The Port of Benton reserves the right to reject any or all bids, to waive any informalities or irregularities in any bid, or in the bidding, and to accept or reject any bid for reasons based solely on considerations for the best interests of the Port of Benton.
Insurance:	The Contractor shall purchase and maintain such insurance as will protect it from claims arising out of Contractor's operations under the contract, whether such operations be by itself or by any subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable (per Title 48 of the R.C.W.). Said insurance shall include provisions applying to: A. Claims under workman's compensation, disability benefit and other similar employee benefit acts; B. Claims for damages because of bodily injury, occupational sickness or disease, or death of its employees, and claims insured by usual personal injury liability coverage; C. Claims for damages because of bodily injury, sickness or disease, or death of person other than its employees, and claims insured by usual personal injury liability coverage; and D. Claims for damages because of injury to or destruction of tangible property, including loss of use resulting there from.

Insurance:	The insurance required by the above paragraph shall be written for not less than: A. Commercial General Liability and Contractual Liability Insurance; written on an Occurrence form, and include Premises and Products/Completed Operations; Employers Liability. Combined Single Limit per Occurrence $1,000,000 General Aggregate $2,000,000 B. Commercial Auto Liability; including all Owned, Non-Owned, and Hired Autos: Combined Single Limit Per Occurrence $1,000,000 each Accident including Bodily Injury and Property Damage Liability C. Workers Compensation Statutory Requirements D. Excess/Umbrella $1,000,000 Each Occurrence All such insurance policies shall be issued by a reputable insurance company satisfactory to Port; authorized to do business in the State of Washington and rated A- or better by A. M. Best Company. The insurance company and its agent shall be licensed with the State of Washington Insurance Commissioner per Title 48 of the RCW of Washington. The policy of Commercial General Liability shall 1) name the Port as an Additional Insured for both "ongoing" and "completed operations", and shall include coverage for the Port's officers, directors, partners, employees, agents, and consultants and 2) be primary coverage for both Defense and Indemnity and Non-Contributory with any insurance maintained by Port, and shall provide for a Waiver of Subrogation rights as to the Port. Evidence of Insurance shall be filed with the Port prior to the execution of the agreement, which documents that policies providing such coverage and limits of insurance are in full force and effect in a form acceptable to the Port. Attach appropriate endorsement forms evidencing required additional insured parties. Thirty (30) days advance notice shall be given in writing to the PORT prior to cancellation, termination or alteration of said policies of insurance. The insurance company and its agent shall be licensed with the State of Washington Insurance Commissioner per Title 48 of the RCW of Washington.
Warranty:	Standard one year Contractors Guarantee covering the work performed and Manufacturers' Warranty on material, and warranties as otherwise listed in these specifications. Copies of all such warranties to be furnished to the Port of Benton.
Cancellation of Contract for Violation of Port Policy:	This contract pursuant to R.C.W. 49.28.050 and 49.28.060 may be cancelled by the officers or agents of the Port authorized to contract for or supervise the execution of such work, in case such work is not performed in accordance with the policy of the Port relating to such work.

Prevailing Wage:	The hourly wages paid to laborers, workmen, or mechanics shall not be less than the prevailing rate of wage, R.C.W. 39.12.020. No worker may be paid less than the specified hourly rate. Contractor will submit Intent to Pay Prevailing Wages, Affidavit of Wages Paid, and certified payroll. The Washington State Prevailing Wage Rates for Public Works Contracts may be accessed from https://secure.lni.wa.gov/wagelookup/rates/journey-level-rates
Intent/Affidavit	Contractor and Sub-Contractor are responsible for filing intents to pay Prevailing Wage before the start of the project. Affidavits of wages paid are required to be filed by the Contractor and Sub-Contractor before final payment can be made and before the Notice of Completion can be filed with L&I, ESD, and DOR.
Retainage:	Retainage of 5% will be administered in accordance with R.C.W. 60.28 when contractor elects to furnish a performance and payment bond for the project when all requirements are met. If contractor elects not to furnish a performance and payment bond on the project of $150,000 or less, retainage of 10% will be withheld until requirements of R.C.W. 60.28 are met.
Bidder Responsibility Criteria:	It is the intent of Owner to award a contract to the lowest, responsible bidder. In accordance with RCW 39.04.350, before award of a public works contract, the bidder must meet the following bidder responsibility criteria to be considered a responsible bidder and qualified to be awarded a public works project. The bidder may be required by the Owner to submit documentation demonstrating compliance with the criteria. The bidder must: A. Have a current certificate of registration as a contractor at the time of bid submittal, in compliance with chapter 18.27 RCW. In addition, per RCW 39.06.010(1), all electrical and elevator contractors must also be licensed, which must have been in effect at the time of bid submittal; B. Have a current Washington Unified Business Identifier (UBI) number; C. If applicable: 1. Have Industrial Insurance (workers' compensation) coverage for the bidder's employees working in Washington, as required in Title 51 RCW, unless self-insured; 2. Have a Washington Employment Security Department number, as required in Title 50 RCW; 3. Have a Washington Department of Revenue state excise tax registration number, as required in Title 82 RCW; 4. Have a Federal Employer Identification number (EIN or Federal Tax ID number) D. Not be disqualified from bidding on any public works contract under RCW 39.06.010 or 39.12.065(3).

	E. If bidding on a public works project subject to the apprenticeship utilization requirements in RCW 39.04.320, not have been found out of compliance by the Washington state apprenticeship and training council for working apprentices out of ratio, without appropriate supervision, or outside their approved work processes as outlined in their standards of apprenticeship under chapter 49.04 RCW for the one-year period immediately preceding the date of the bid solicitation; F. Have received training on the requirements related to public works and prevailing wage under this chapter and chapter 39.12 RCW. The bidder must designate a person or persons to be trained on these requirements. The training must be provided by the department of labor and industries or by a training provider whose curriculum is approved by the department. The department, in consultation with the prevailing wage advisory committee, must determine the length of the training. Bidders that have completed three or more public works projects and have had a valid business license in Washington for three or more years are exempt from this subsection. The department of labor and industries must keep records of entities that have satisfied the training requirement or are exempt and make the records available on its web site. Responsible parties may rely on the records made available by the department regarding satisfaction of the training requirements or exemption: G. Within the three-year period immediately preceding the date of the bid solicitation, not have been determined by a final binding citation and notice of assessment issued by the Department of Labor and Industries or through a civil judgement entered by a court of limited or general jurisdiction to have willfully violated, as defined in RCW 49.48.082, any provision of chapter 49.46, 49.48, or 49.52 RCW. This requires the successful bidder to submit to the municipality a signed acknowledged statement under oath verifying under penalty of perjury that the bidder is in compliance with the responsible bidder criteria requirement set forth under this number. H. In accordance with RCW 39.06, a public works contractor must verify responsibility criteria for each first-tier subcontractor, and a subcontractor of any tier that hires other subcontractors must verify responsibility criteria for each of its subcontractors. Verification shall include that each subcontractor, at the time of subcontract execution, meets the responsibility criteria and possesses an electrical contractor license if required by RCW 19.28, or an elevator contractor license, if required by RCW 70.87. This verification requirement, as well as the responsibility criteria, must be included in every public works contract and subcontract of every tier.
